Washington County cheese tour held

The Third Annual Cheese Tour takes place this year over the weekend of September 12-13 (10 am until 4 pm each day) and highlights diverse offerings of farmstead and artisanal cheeses made by five area producers in the Battenkill Valley. This drive-yourself tour through lush, rolling hills and bucolic countryside is free and open to the public and features the largest cheese tour in the region. Visitors will be able to see each farm's livestock, tour the farms' facilities, and explore the region's long-standing cheesemaking tradition going back to the nineteenth century.

Milk from cows, goats, and sheep is used to make the great array of cheeses found at tour participant locations: 3-Corner Field Farm (Shushan, NY, note: tour here on

Sunday only), Argyle Cheese Farmer (Argyle, NY), Consider Bardwell Farm (West Pawlet, VT), Longview Farm (Argyle, NY), and Sweet Spring Farm (Argyle, NY) – all about an hours' drive north of Albany. The artisan cheesemakers have again expanded their repertoires and this annual event offers the opportunity to showcase some of the most highly sought-after and award-winning cheeses produced in the region – from fresh cheeses like chevre to ripened, Camembert-style cheeses, or aged Cheddar or Tomme-style cheeses.

Visit www.washingtoncountycheese.com to obtain further tour and schedule information, as well as information and links for area food and lodging options.
