MEMORANDUM OF SUPPORT

Senate Bill 6181 (Metzger)

AN ACT TO AMEND THE ALCOHOLIC BEVERAGE CONTROL LAW, IN RELATION TO OPERATION OF ANOTHER BUSSINESS ON A LICENSED FARM MANUFACTURING PREMISES

Date: 1/27/2020

New York Farm Bureau, the state’s largest agricultural advocacy organization, respectfully requests your support for this legislation. If enacted, this bill would allow farm meaderies, farm breweries, farm cideries, farm distilleries and farm wineries to allow other business to operate on their licensed premises.

The number of craft beverage manufacturers have been increasing drastically in New York State. This legislation would encourage the ongoing growth of New York’s craft beverage industry by allowing businesses such as food trucks to operate on their grounds.

For these reasons, New York Farm Bureau requests your support of this legislation. Thank you for your time and consideration of these comments.

Sincerely,

Kyle Wallach
