HEALTHCARE IS IN NEED OF A SOLUTION.

Healthcare expenses, premiums and out-of-pocket costs are putting the crunch on health plans, employers, unions and patients alike.

EMPOWER CARD CAN HELP.

DOCTORS BY PHONE

73% of Americans have trouble receiving timely medical care without having to visit the emergency room. Help your members save time and money with 24/7 access to a doctor by phone or online video consult—anytime, anywhere. Doctors offer a diagnosis, treatment options and prescription if necessary. By using Doctors by Phone instead of going to an urgent care clinic or ER, members cut unnecessary out-of-pocket costs and time wasted in crowded waiting rooms.

HEALTH ADVOCATE

Time is money. Personal Health Advocates help your members navigate through insurance and healthcare systems. Advocates can also locate doctors, specialists, hospitals, dentists and pharmacies. Advocates research treatments, resolve claims and provide medical explanations so your members can make more informed decisions. Experts will attempt to negotiate a reduction in out-of-pocket medical expenses. Highly trained registered nurses are on-call 24/7 to answer your members' questions.

DOCTORS ONLINE

Your members have access to a team of medical professionals by email or smartphone app. Doctors Online gives members a trustworthy place to get their healthcare questions answered through a secure website 24/7. It's the fast, easy way for members to get health information from a resource they can trust.

HEALTH WEALTH CONNECTION

Simple online tools and solutions to guide your members to a better place with their health and personal finances.
