

***Message on COVID-19 Vaccine To
Franklin Co. Farm Bureau Members***

COVID-19 vaccines are safe, effective and free for New York residents. Please consider getting vaccinated when you become eligible to protect yourself and your community.

Eligibility for the COVID-19 vaccine changes frequently and vaccine appointments are regularly updated. Please visit this website for the most up-to-date information:

<https://covid19vaccine.health.ny.gov>

If you are unable to access a computer, the following resources can help you determine eligibility or schedule a vaccine appointment:

**New York State COVID-19
Vaccination Hotline
1-833-697-4829**
