

2022 New State Proposed Resolutions

We support New York State's goal of conserving 30% of land by 2030.

We oppose limiting the scope of the current Digital Right to Repair legislation.

We support updating New York State fencing laws to reflect modern standards.

We support grandfathering in signage requirements for slow moving vehicles for implements manufactured before 2018.

We support excluding towed implements from SIS signage requirements.

President's Message

Hello Washington County Farm Bureau members. I hope you are having a good growing season this year. It has certainly been an eventful few months, but the work of Washington County Farm Bureau has continued. In the spring we participated in a virtual lobby week to lobby our politicians on issues important to Washington County farmers. In August, we had a brand new display at the Washington County Fair. Thank you to our board members for putting that together, and I hope you all stopped by our booth. As always, I encourage you all to attend our County Annual Meeting. We've decided to host a business-only meeting this year. You can attend in person at the Cookie Jar at Ideal Dairy or via Zoom. If you plan to attend, RSVP to the ENY Regional Office at eny@nyfb.org or 518-431-5650. We hope to see you in person or virtually!

*Sincerely
Brian Ziehm, President*
